

# vibrant blue oils Anti-Inflammatory™

— BRAIN BALANCE —

**BENEFITS:** Designed to reduce inflammation and encourage regeneration of damaged or stressed connective tissues that have been chronically inflamed or acutely inflamed, including the small intestine for leaky gut, joints for pain, head for migraines or the bottom of the feet for acne.

**INDICATIONS:** Inflammation can protect the body from injuries and infections. This acute response allows blood vessels to expand, increasing the permeability and blood flow so immune supporting white blood cells can more easily flow into the injured area. The increased blood supply results in redness, swelling and heat. Pain and immobility also protect the area and facilitate healing.

Chronic low-grade and systemic inflammation can exist undetected for years without noticeable symptoms, silently damaging the tissues of joints, arteries, organs, and the brain. Inflammatory conditions include:

- Leaky Gut/Food Allergies = Inflammation of the Small Intestine
- Dementia = Inflammation of the Brain (Neuro Inflammation)
- Asthma attack = Inflammation of small tubes transporting air to lungs
- High blood pressure /kidney failure = Inflammation of Kidneys
- Cramps and diarrhea = Inflammation of Large Intestine (Colitis)

## Application

**HOW TO USE:** Apply 2-3 drops to inflamed area — around the joint (top, bottom and sides), clockwise around the belly button, at base of skull or on vagal nerve (behind ear).

**WHEN TO USE:** To aid with pain, inflammation, leaky gut and migraines, apply 2- 3 times daily or as needed during painful moments
