Lymph™

— BODY BALANCE —

BENEFITS: Uniquely formulated to increase circulation of fats and white blood cells within the lymphatic system for optimal delivery of nutrients to cells and removal of waste from the cells.

INDICATIONS: The lymphatic system is the body's first line of defense against disease. It includes lymph nodes (with clusters found in the neck, chest, underarms, abdomen, and groin). Unlike the cardiovascular system, the lymphatic system does not have its own central pump — it only moves as the muscles squeeze it along. So the lack of movement makes the lymphatic system stagnant, with waste accumulating and excessive toxins building up.

If the lymphatic system is not working correctly, elimination, detoxification and immunity may be affected, resulting in symptoms such as:

- Soreness and/or stiffness in the morning
- Bloating or Fatigue
- Dry or Itchy skin
- Congestion, stuffy head, sinus or periodontal infection
- Holding on to water/ Rings get tight on fingers
- Breast swelling, soreness with each cycle or bladder infection
- Brain fog
- Cold hands and feet

Application

HOW TO USE: Apply 2- 3 drops each to sides of neck (1), lymph nodes under arms (2) and around inguinal ligament/bikini line (3).
