Attention™

— BRAIN BALANCE —

BENEFITS: Supports prolonged mental attention and strengthens ability to overcome/ignore distractions. Attention balances and regulates the Central Nervous System. It clears mental cobwebs, fortifies and has been known to assist in calming angry situations.

INDICATIONS: Formulated by homeschooling parents specifically to assist with ADD and ADHD. The medical benefit of this oil was proven during research conducted between 1999-2001 where subjects with a confirmed diagnoses of ADD/ADHD inhaled essential oils when they began to feel "scattered".

The inhalation of the oils proved to settle the brain waves back into normal patterns and improved their scholastic performance and behavioral patterns. The four oils in the Attention blend – Vetiver, Frankincense, Lavender, and Cedarwood -- all showed substantial benefit, with Vetiver helping 100% of the test cases. The blend further synergizes the positive impact of the oils.

Application

HOW TO USE: Apply 1- 2 drops on brain stem (back of the neck), temples, across the forehead and the bottom of the feet.

WHEN TO USE: To aid with mental attention, apply 2- 3 times daily or as needed during distractable moments. .

INGREDIENTS: Vibrant Blue Oils Brain Balance Attention blend contains a proprietary formulation of Vetiver, Frankincense, Lavender, and Cedarwood in a base of fractionated coconut oil.

PRODUCT TIPS:

- Helpful for supporting ADD/ADHD
- Helps to ground and center

Proprietary brain balance blends are formulated to support optimal function of the brain to ensure that key hormonal and nervous system signals are sent and received.
