Brain Boost™

— BRAIN BALANCE —

BENEFITS: Formulated to assist the brain when extra thinking power is needed, Brain Boost produces an elevated mental state. The blend was specifically formulated with Helichrysum and sandalwood and Melissa oils which are touted for brain function and known to cross the blood brain barrier and assist in carrying oxygen to the pineal and pituitary glands.

INDICATIONS: Use Brain Boost to:

- Develop greater focus
- Clear mental cobwebs
- Calm the mind for clearer thinking
- Fortify the brain against Electromagnetic frequencies (EMFs)

Application

HOW TO USE: Apply 1- 2 drops on the back of the neck, on the temples, the bottoms of the feet and especially on the big toe

WHEN TO USE: Apply as needed for an elevated and enhanced mental state.

INGREDIENTS: Vibrant Blue Oils Brain Balance Brain Boost blend contains a proprietary formulation of Ylang Ylang, Melissa, Sandalwood, Frankincense, Cedarwood, Lavender, and Helichrysum in a base of fractionated coconut oil.

PRODUCT TIPS:

- Apply topically to temples before tests or any event requiring concentration
- Produces a calming, uplifting, soothing, elevated mental state

Proprietary brain balance blends are formulated to support optimal function of the brain to ensure that key hormonal and nervous system signals are sent and received.
