Breathe™

— SYMPTOM SUPPORT —

BENEFITS: Supports respiratory and cardiovascular systems. Reduces inflammation to support and relieve congestion, colds, flu, bronchitis, coughs, sore throats, sinus infections, pneumonia and asthma.

INDICATIONS:

Vibrant Blue Oils Symptom Support Breathe blend is designed to open and soothe airways and tissues of the respiratory system, loosen and expel mucus, reduce inflammation and stimulate the regeneration of lung tissue.

Breathe can be useful in situations when the ability to breathe easily is challenged, including: allergies, asthma, bronchitis, colds, coughs, decongestant, expectorant, mucus, pneumonia, respiratory inflammation and congestion, sinusitis, sore throat, lung infection, bacterial and viral infections as well as chronic inflammation of the mucus membranes.

Also beneficial to those who practice yoga, for use before pranayama (breathing exercises).

Application

HOW TO USE: Apply 1- 2 drops diluted topically on throat and upper chest. Apply a hot wet towel compress to the lungs and throat areas and keep it on for about 15 minutes.

WHEN TO USE: To aid with sore throats or breathing, apply 2- 3 times daily or as needed during the day or night.

INGREDIENTS: Vibrant Blue Oils Symptom Support Breathe blend contains a proprietary formulation of Eucalyptus citriodora, Eucalyptus radiata, Myrtle, Peppermint, Spruce, and Basil in a base of fractionated coconut oil.

CAUTION: This blend contains several hot oils and should not be applied directly to the skin without diluting. Asthmatics may react to Eucalyptus globulus; use this blend with caution.

PRODUCT TIPS:

- Use to nip a sore throat in the bud. Apply diluted over throat and neck area.
- Consider diluting with castor oil for greater healing impact.

Proprietary symptom support blends are formulated to support and relieve discomfort and painful symptoms while the underlying concerns are being addressed.
